

Roll-Rite® TarpMaster® Series

Safe. Simple. Automated Tarping.

Arm-Style Electric Tarp Systems for End Dump,
Belly Dump, and Pup Trailers

Roll-Rite® TarpMaster® systems deliver automated tarping with proven safety, durability, and efficiency. Pre-assembled for fast installation and engineered to fit dump trailer bodies up to 34 feet and using maximum of 36 feet of tarp, they keep your load covered and your business on the move.

A Clarience Technologies Company

Quality, durable components engineered for tarping dump trailers.

TarpMaster® Tarp Systems may include:

Electric Motor

- High-torque power for reliable tarping performance
- Chrome-plated, corrosion-proof casing for long-lasting, professional appearance
- Backed by an industry-leading 5-year non-prorated warranty

Housing & Tarp Spool Kits

- Integrated gusseted housing available for forward trailer mounting
- Optional wind deflector for standard tarp and wind protection
- Complete, easy-install kits with motor, axle, wiring, and hardware included

Pivot Mounts

- External or under-body 5-spring pivots for up to 26 ft tarps
- Optional mounting brackets available
- 6-spring under-body option for up to 36 ft tarps
- Rust-resistant aluminum construction with automotive-grade SAE 404 4037 hardware

Roll-Rite Arms

- Ultra-durable, lightweight, specially treated extruded aluminum arms for maximum strength-to-weight performance
- Telescoping upper bow for easy, adjustable installation

Offset Bow Arm Option

- Angled arms avoid load zones
- 30° or 45° elbow option offers maximum adjustability for a tailored system fit

Rite-Touch™ Option

- Amp-sensing auto-shutoff prevents breaker trips and protects the system
- Eliminates manual resets and reduces operator downtime

Housing Styles

Housing style options are available to suit your trailer installation needs.

- **Integrated Housing (recommended)**

- **Wind Deflector**

Pivot Styles

Roll-Rite offers pivot mounts to suit your trailer and tarping application.

- **External Mount**

- **Under Body Mount**
