Features:

- **Tough.** 24 in. cast aluminum housing and rigid cast iron gear case to absorb maximum impact.
- **High Polished Chrome.** Chrome-plated ends add distinctive profile to your truck for a professional appearance.
- **Corrosion Resistance.** Protective coating and cover are designed to be virtually corrosion-proof.
- **Worm Gear Technology.** Industry standard technology provides efficient power for general tarping requirements.
- **Credible Warranty.** Over 30 years of trust under our biting power motor technology.

Primary Applications:

- **Front-to-Back Tarping.** Line-up to 24' of tarp on light to medium duty trucks including:
  - Single Axle & 1-ton dumps
  - Tandem dumps
  - Smaller Hooklifts
- **Side-to-Side Tarping.** Ideal for dual-axle and tandem trucks including:
  - Single Axle & 1-ton dumps
  - Tandem dumps

Single Function Wireless Control Module Upgrade:

- **Part No. 10910**
  - **Features:**
    - Increased Safety...
    - Easy-to-Install...
    - Standard...
    - Fully Potted...

Rite-Touch™ Electric Kit Series:

Features:

- **Part No. 10914**
- **Increased Safety...** Improved motor reversing relay allows safe, two-stage operation between in-cab & remote operator switch and truck-mounted battery.
- **Easy-to-Install...** Hardware improvements and color coding were added for easier installation.
- **Standard...** for all Roll-Rite® covering systems.
- **High Performance Relay...** 5 times (5X) the performance over previous mechanical relays and is fully potted for corrosion resistance. Designed for easy conversion to remote control by adding our Single Function Wireless Control Module upgrade (shown below).

10912 Rite-Touch™ w/ Wireless Control Module:

- **Part No. 10912**
  - **Features:**
    - All of the Above Features...
    - Standard...

10914 Rite-Touch™ Electric Kit w/ Momentary Rocker Switch:

- **Part No. 10914**
  - **Features:**
    - Increased Safety...
    - Easy-to-Install...
    - Standard...
    - Fully Potted...

Rite-Touch™ Electric Kit w/ Wireless Control Module:

- **Part No. 10912**
  - **Features:**
    - All of the Above Features...
    - Standard...

11000 Single Function Wireless Control Module Upgrade:

- **Part No. 11000**
  - **Features:**
    - Convert...
    - Eliminates...
    - Easy-to-Install...
    - Multiple Switch Operation...
    - Fully Potted...

Rite·Touch™ w/ Wireless Control Module:

- **Part No. 10912**
  - **Features:**
    - All of the Above Features...
    - Standard...

Roll-Rite® Gear Motors

...for Truck & Trailer Automated Covering Systems

The Leader in Gear Motor Technology...

Roll-Rite® is proud to offer American-made gear motors built to our own state of the art gear facility. Roll-Rite® introduced the first direct drive motor for tarping in 1990. The ongoing mission is to exceed and deliver industry standards while offering industry leading technology. Roll-Rite® is known in the industry for performance and efficiency. **Features:**
- **Engineered,** specifically for high torque tarping demands
- **Unique Performance,** variable speed tarp motors, the Super Duty can match peak performance because it requires only half the amp draw of any other tarp motor.
- **High Polished,** Chrome-plated casing designed for virtually corrosion-proof protection, adds a distinctive profile to your truck.
- **Spur Gear Technology,** features a spur and helical gearing configuration with forged steel heat treated gears and precision ground ball bearings for a much longer transmission life than worm-style transmissions.
- **5-year Warranty,** industry’s first non-prorated warranty against premature wearout. The Super Duty gear motor is warranted for a period of 5 years.

**Primary Applications:**
- Front-to-Back Tarp Systems... for up to 57' of tarp on bigger trucks and trailers including:
  - Straight Truck End Dumps
  - Live Bottom & Belly Dumps
  - Grain Trailers
  - End Dump Trailers
  - Side Dump Trailers
  - End Dump Trailers
  - Side Dump Trailers
  - Roll-Off Trailers
  - Transfer Chute Trailers
  - Straight Truck End Dumps
  - Side Dump Trailers
  - Straight Truck End Dumps

**Super Duty® Features:**

- **Engineered,** specifically for high torque tarping demands
- **Secure Tarping,** our TarpStretcher® is standardized on Side-to-Side Series side dump tarp systems and is impacted with our Premium Vinyl it actually stretches the tarp down for watertight performance at any time.
- **High Polished,** Chrome-plated casing, designed for virtually corrosion-proof protection, adds a distinctive profile to your truck.
- **Spur Gear Technology,** features a spur and helical gearing configuration with forged steel heat treated gears and precision ground ball bearings for a much longer transmission life than worm-style transmissions.
- **5-year Warranty,** industry’s first non-prorated warranty against premature wearout. The TarpStretcher® gear motor is warranted for a period of 5 years.

**Primary Applications:**
- Side-to-Side Tarp Systems... for general use in cable style tarp systems including:
  - CableMaster™ Power Kits...
  - Roll-Off Trailers
  - Transfer Chute Trailers
  - Straight Truck End Dumps
  - End Dump Trailers
  - Side Dump Trailers
  - Straight Truck End Dumps
  - End Dump Trailers
  - Side Dump Trailers

**Thru-Shaft® Features:**

- **Engineered,** specifically for high torque tarping demands
- **Refined “Thru” Shaft Technology,** variable 11” I.D. bore shafts exceed every style application.
- **High Polished,** Chrome-plated casing, designed for virtually corrosion-proof protection, adds a distinctive profile to your truck.
- **Spur Gear Technology,** features a spur and helical gearing configuration with forged steel heat treated gears and precision ground ball bearings for a much longer transmission life than worm-style transmissions.
- **5-year Warranty,** industry’s first non-prorated warranty against premature wearout. A Thru-Shaft® gear motor is warranted for a period of 5 years.

**Primary Applications:**
- CableMaster™ Power Kits...
- Power Existing cable style tarp systems for:
  - End Dump Trailers
  - Live Bottom & Belly Dumps
  - Straight Truck End Dumps
